A Web Page

https://spoti-cve.spotify.net

Spoti-CVE

Have an circle infographic which is interactive, as the user clicks or navigates on each side of circle info about the website pop up to the right hand side.

Background will contain an minimalistic image, with soft tone

The different pop texts that will are appear are based on:

- The purpose of the website
- What is found on the dashboard
- Benefits /goal or the website

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Fusce nec varius odio. Aenean euismod arcu ac sodales iaculis. Suspendisse ornare, odio vitae consequat euismod, nibh ex ullamcorper tortor, quis sollicitudin ante odio blandit leo.

Footer will contain informative links to pages such as Confluence, Github repo for team or contact links such as slack channels

https://spoti-cve.spotify.net/dashboard/

Spoti-CVE

Home > **Dashboard** > **Requests**

search

There will be a graph here with fields or colums
containing info regarding the CVE applicable
i..e:
- CVE ID
